The Xylophone and Congas as well as the Wenger Musician Chairs used by the SCMB were purchased because of Small Capital Arts Grants from the Central MN Arts Board, and funded in whole by appropriations from the MN State Legislature with money from the State's general fund, and it's arts and cultural heritage fund that was created by a vote of the people of MN on November 4, 2008.

"This activity is made possible, in part, by voters of Minnesota through a grant from the Central MN Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund."
